

8th Annual FERIA Partnership Virtual Conference
Saturday, November 12, 2022 from 8:00am to 12:00pm
Session II Theme: Focus on Behavior

Featured Keynote Speaker: Dr. Clarisa Solís, Educational Psychologist

Clarisa Solís is an Educational Psychologist since 1987, has a Master's Degree in Neuropsychology and a Doctorate in Psychology. She was the founder of the first private special education school in Tijuana. For more than 25 years she has worked with children with special needs, such as autism, Down syndrome, intellectual disabilities, cerebral palsy, learning disorders and attention deficit. This experience allowed her to develop integration programs to change the behavior of the whole family. Other programs focused on communication between the couple and their children and emotional codependence. Since 2005, she has been leading support groups for women's self-improvement, as well as offering conferences for parents on issues related to sexuality, communication, relationships and family discipline. She worked as a special education teacher at CETYS Tijuana University for eight years and received training from the National Center for Montessori Education, as a teacher of the system. In 2011 the book Barreras de la Comunicación was published together with Montana and Mayorquin. For two years, every Tuesday she participates in the Radio Aprendiendo a Vivir program.
